Dear Parents, Students and CLIP Community,

As you are aware, due to the current pandemic situation, the Portuguese government has decided to enter a new state of emergency for another 15 days (16<sup>th</sup>-30<sup>th</sup> January).

Schools remain open and students who are not under specific restrictions from the health authorities must continue **presential activities** as normal.

In line with the government guidelines to stay at home we kindly ask those parents who can to **collect their children as early as possible** from dismissal. **School campus will close at 18:00.**

Furthermore, please be aware **that CLIP Clubs activities, Music Centre lessons and CLIP Teams will end by 17:30. All SWIMMING activities are cancelled.**

The situation will be re-evaluated continuously and any decision made will be communicated by the school.

**Prevention and containment start with each and every one of us. As one, we should act as global and caring citizens.**

Once again thank you for your collaboration and continuous support.

Kind regards,

The SLT (*Senior Leadership Team*)
